Education:

2012 – 2017 Bachelor of Science (Computer Science)
Rajamangala University of Technology Isan surin Campus
GPA: 2.50
2009 – 2012
Taelsiriwittaya School
GPA: 1.99

Skills:
Programming/Languages: Java, C, C++,C#, Visual Basic, MySQL, HTML,Asp.net,PL/Sql
Source Code Control: team foundation server, Git.
Databases: Oracle 11g ,SQL Server, Certified Oracle
Design & IDE Tools: Visual Studio Code, Visual Studio, Android Studio, Dev-C++, Sqldeveloper

Experience / Internship

Computer Programmer Intern

Experience in programming solutions that focus on Visual Studio, Sqldeveloper, and relational database design. Skilled in Object Oriented Programming in Java and Web site development using scripting languages and C# applets for interactive functionality, and

networking fundamentals focused on maintaining connectivity and operation of server systems. Strengths include:

-Learn new programming languages and concepts rapidly to meet demands of business applications development for coursework and web design projects.
-Use advanced troubleshooting methodologies to isolate causes of computer system problems and electronic device problems.
and work environment.

Qualifications :

Experience gained during internship with Company.
Consistently commended by professors and internship supervisor for programming abilities; strong grasp of technologies (e.g., C, C++,C# , HTML and Asp.Net); and attention to detail. Known as a self-starter, team player and multitasker; strive to consistently exceed expectations.

Summary :

With a good performance in modular and object-oriented programming. Well-versed in all phases of the software development lifecycle, with a strong working knowledge of algorithms and data structures. Proven success engineering customized solutions improving business processes, operations and profitability.
